**IMPORTANT INFO**

- Total course miles is 71 miles with transfers, longest section between gas stops will be 25 miles.
- Both main gas stops are at the same location, maps will be available. Follow LEGS to know which way to go from each gas stop.
- Please go slow on transfer to and from the camp ground, there is plenty of time. There may be other atvs on the trails.
- Please take it easy on roads near the campground to avoid neighbor complaints.
- There will be a crossing guard on hwy 23 both directions. When he says stop you **MUST STOP!** Or you will be DNF'd.
- Stop at all marked stop signs. We did not shut down the whole forest.
